PROFESSIONAL EXPERIENCE

August 2007 APA Intern – Clinician for The Menta Group
to Aurora, Illinois

Current

Duties: Work as a clinician with Emotionally Impaired students in a school setting to teach social-emotional skills, run weekly groups, work with students in the classroom, and consulting with teachers and other Menta employees. Also perform administrative duties such as assisting with interviewing teacher candidates, reviewing and developing policies and programs, providing professional development, and developing measurement tools for the company.

August 2004 Graduate Research Fellowship
to Central Michigan University, Mount Pleasant, MI

August 2007

Duties: Assist Dr. Hartsthorne with research activities involving CHARGE syndrome including preparing materials, organizing data collection, and data entry. Assist with other tasks as requested.

Supervisor: Dr. Tim Hartsthorne, Ph.D.

August 2001 Student Life Coordinator
to Louisiana School for Math, Science, and the Arts, Natchitoches, Louisiana

June 2004

Duties: Supervise and monitor the female student life staff and the student body at large. Attend weekly assessment meetings with school counselors and the school nurse, lead weekly staff meetings, and conduct weekly individual staff meetings. Handle student discipline, maintain parent contact, and monitor academic progress of students. Assign roommates, mediate student disputes, and address staff concerns with administrators. Oversee and maintain the dormitory facilities, report problems to the maintenance personnel, monitor and report safety and fire hazards.

Supervisor: Emily Shumate, M.S.

April 2000 Associate to a Psychologist,
to Pinecrest Developmental Center, Pineville, Louisiana.
July 2000

Duties: Managing a case load of 28, conducting psychological evaluations, writing psychological evaluations, writing behavior treatment plans, implementing treatment plans with the staff, and coordinating with multidisciplinary teams to help manage client cases.

Supervisor: Patricia Marterer, Ph.D.

August 1999 Student Life Advisor
to Louisiana School for Math, Science, and the Arts, Natchitoches, Louisiana
July 2001

Duties: Maintained a positive living/learning environment for 30-40 students in the female residence hall. Monitored the students' academic and social progress and referred students to the appropriate resources such as counselors and the nurse as needed. Responsible for handling minor discipline concerns and infractions. Maintained positive parent contact. Attended weekly staff meetings and participated in staff development. Mediated roommate conflicts. Worked at the residence hall front desk greeting visitors, answering the phone, and responding to student requests and needs.

Supervisor: Anita DeRouen

November 1998 Psychotherapy Practicum
to Northwestern State University Counseling and Career Services,
May 1999 Natchitoches, Louisiana

Duties: Included clinical interviewing, writing reports, maintaining progress notes, and conducting psychotherapy sessions. Supervision was received approximately 1-2 hours per week.

Supervisor: Dean Lauterbach, Ph.D.

January 1998 Psychological Assessment Practicum
to Northwestern State University, Natchitoches, Louisiana
May 1998

Duties: Conducted supervised clinical interviews, administered a personality assessment measure, and interpreted and wrote up the results in a report. These assessments were conducted on undergraduates solely for the purpose of graduate students learning the testing process.

Supervisor: Dean Lauterbach, Ph.D.

August 1997 Graduate Assistantship
to Northwestern State University, Natchitoches, Louisiana

May 1999

Duties: included grade management, designing, administering, and grading examinations in undergraduate level psychology courses, designing lecture material, class activities, and class projects for undergraduate level psychology courses, and lecturing in the professors absence.

Supervisor: Susan Barnett, instructor

April 1997 Behavior Therapist
to Private Family, Tacoma, Washington

August 1997

Duties: Worked for two different families conducting behavior therapy with their autistic children.

Supervisor: Pam Todd, mother

Spring 1997 Community Project
Pacific Lutheran University, Tacoma, Washington

Duties: I was selected with several other students to help design a survey for a local community center to assess how well it was meeting the needs of the community. They used the information from the survey to apply for grants and other resources that helped keep the center open.

August 1994 Volunteer, Teacher's Assistant
to Hillside Education Center, Hillside Home for Children, Pasadena, California

August 1995

Duties: Worked in a fourth and fifth grade classroom. Helped with everything from teaching students how to read, helping with general class assignments, and motivating the students. (The school was for severely emotionally disturbed children who had not done well at mainstream schools.)

WORKSHOP EXPERIENCE

BE PROUD BE RESPONSIBLE. June 2002. Community Wellness Project at Northwestern State University, Natchitoches, Louisiana. Received training on how to implement and teach the Be Proud! Be Responsible! HIV/AIDS Education Curriculum. Presented a workshop to high school students Fall 2002.

DRUG RECOGNITION – SCHOOL. August 2001. Public Agency Training Counsel, Lafayette, Louisiana. Received 16 hours of training on recognition of various types of drugs, search and seizure policies and laws related to schools and school personnel, current student drug trends and use, and basic drug intervention.

ASSERTIVENESS WORKSHOP. October 1998. Northwestern State University, Natchitoches, Louisiana. Co-led 1 hour Assertiveness workshop, focused on helping undergraduates

understand how passive vs. assertive they were and gave examples of some skills they could utilize in situations where they wanted to be more assertive. Information about assertiveness was provided within a cognitive-behavior framework. Practical assertiveness strategies were described. This workshop was conducted as part of my practicum requirement.

Supervisor: Dean Lauterbach, Ph.D.

PROCRASTINATION WORKSHOP. November 1998. Northwestern State University, Natchitoches, Louisiana. Co-led 1 hour Procastination workshop, focused on methods for reducing procrastination, effective study habits, and time management. This workshop was conducted as part of my practicum requirement.

Supervisor: Dean Lauterbach, Ph.D.
