• Should state and federal laws protect people from discrimination on the basis of gender identity and sexual orientation? Should someone’s personal religious beliefs provide an exemption from non-discrimination laws?
• Should schools have explicit protections for LGBTQ+ youth? Should these include requiring an LGBTQ-inclusive curriculum?
• Are policies and laws enough to secure civil rights? What impact does the persistence of sexual and gender-based prejudices have on the experiences and life chances of LGBTQ+ people?
• What kinds of representations do we see of LGBTQ+ people in the media?
